## Your 401(k) Savings Plan – Brokerage Investment Expenses

You may buy stocks, mutual funds or other approved securities within the Self-Directed Brokerage Window. See **Your Benefits Book 2**<sup>†</sup> online for more information. You'll receive a Welcome Kit with more details if you enroll online for a brokerage account in your 401(k) Savings Plan.

- **Stocks** (trade under a Tiered pricing schedule, based on your balance and/or number of trades)
  - \$9.95 per trade (brokerage account balance greater than \$500K or 30+ trades per quarter)
  - \$12.95 per trade (brokerage account balance greater than \$50K)

  - No Transaction Fee (NTF) Funds - these funds have no sales charge or transaction fee, or
  - \$19.95 for any purchase of No Load Funds which are not NTF eligible (see above).
